While Justice Sleeps – June ReLit
ReLit, the long-standing reading group of St. Matthew, will be meeting in June this year. Their book will be Stacey Abrams' newest fiction, While Justice Sleeps. While Abrams has had eight pieces of fiction published earlier, this one is a political, legal thriller involving a justice of the Supreme Court. If you haven't read with us before, consider joining in this summer when responsibilities may be lighter and time may be more abundant. We'll hope to see you at 7 p.m. on Friday, June 17, in the Augsburg Room at St. Matthew for discussion and dessert. Contact Nancy Schneider nancyschneider@hotmail.com with your questions.
